

March 26, 1938

Dear Mr. Barnett;

Miss Tarbell will appreciate it very much if you will send her for examination the copy of the first Revision of the Indiana Statutes, published in 1824 which you mention in your letter of March 21st. She wishes me to say that she will purchase the book for the price you quote - \$40.00 - if she finds it satisfactory.

Yours very truly

Secretary to
Miss Tarbell
