Mr. William Chenery
Collier's Weekly
250 Park Avenue
New York City

853

Dear Mr. Chenery:

Here is Number Three of "The Comrade
of Lincoln."

If I understood you over the phone this morning, you
are to give me an answer Monday morning as to whether or not
you can consider using the three parts in Collier's.

Mr. Reynolds is quite positive that the material should
not be separated, and I do not want it to be if it is possible to
keep it together.

Very sincerely yours
