Miss Ida M. Tarbell,
120 East Nineteenth St.,
New York City.

Dear Miss Tarbell:-

You are to be with us here in the City of Royal Oak on the evening of February 12th to address us on the subject of 'Lincoln'.

Would it be possible for you to come during the evening and before our High School adjourns. The school authorities have asked me today whether it would be possible to have you say a few words to our High School student body at the close of the afternoon and before the evening program.

I will come to Detroit and get you, and Mrs. Dondero and myself will feel honored indeed to have you make our home your own while you are here in this City.

Very cordially yours,
