Dear Ida Tarbell

Do you know how the acorn thrills, at the touch of the morning dew.

Just to do this sculpture when he absorbs your lines,
you 2 weeks earlier woman you cannot be, but people lettered
by your passing their way. They are done to be. I am always here.
Come when you are free,
tel Wa. 3-4343, so I will know,
always grateful time.

George [illegible]
