Address

Mrs. C. F. Fisher,
Kewanee, Ill.

My dear Mrs. Fisher:

Thank you for another interesting
letter.

I am glad you told me about Albert Rutledge. I am sending
him my Boys' Life today.

Be sure I shall look you up when I go to Illinois. I am
afraid that will not be much before November, - I hope early November;
but I will let you know a few days before I come.

Sincerely yours,
