

June 18, 1926

Mr. D. D. Chambers
The Bobbs-Merrill Company
Indianapolis, Ind.

My dear Mr. Chambers:

I understand from Mr. Stephenson that you wish for your files a letter of permission from me to use excerpts from my "Life of Lincoln" in the book which he has been editing.

Will you not please regard this note as such a permission? I am proud to have anything I may have written find a place in his book.

Sincerely yours
