Dear Mrs Tarbell

Re. Lincoln Sartain Marchant
Engraving - up to a few years ago the above
was quite common - (believe all collectors
have it -) for some unknown reason
have not run across any of them
lately - I should say it would be worth
anywhere between 10^{00} and 25^{00} depending
on condition.

Wish whenever you are in
Chicag. you would drop in at 620
S. Michigan Ave near Blackstone
Hotel - where I have about 1000
Lincoln items on display - you are
welcome to go thru them - I know you
will find many interesting items
Some of them unique

Yours very truly
L. E. Dickel
