My dear Miss Tarbell:

Thinking that you would be interested in the book recently from the press with the title. "Herschel V. Johnson of Georgia State Rights Unionist," I am enclosing a copy of the prospectus furnishing information regarding it and also comments of some of those who have expressed opinion concerning it.

It is to be hoped that you will conclude that the contribution which it makes to the history of the period is of sufficient importance to justify your ordering it for your library.

With very kind regards, I am

Sincerely yours,

Percy Scott Flippin
