My dear Miss Tarbell:

It was good of you to send me an autographed copy of your book HE KNEW LINCOLN, which book I intend to read at the first opportunity.

Enclosed you will find four additional copies of the small Lincoln book, which please accept with my compliments. I know of no one I would rather send these books to than yourself, and it pleases me to know that you think so highly of the work.

Cordially yours,

Miss Ida M. Tarbell,

New York City.
