Dear Miss Tarbell:

I was
very happy to hear from
you on the Lincoln -
From time to time I have
heard nice things from
antiquaries but I think that
your comments on
Lincoln have pleased
me more than anything
I have ever had -

We have had much help
from Mr. Fredrick Meserve
who is a great pictorial
authority on Lincoln and
I have also been fortunate in having
original clothes of the period to

work from -

Very Sincerely

James Carter
