

The New York Times
Times Square

January 28, 1938.

Dear Miss Tarbell:

I am hoping that you have had a chance to get at the Lincoln book and that I may look forward to having your copy (1200-1500 words) by Wednesday next, for I fear there will be nothing else worth leading the paper with for the issue of February 13, which we make up Thursday and Friday.

With kindest regards,

Yours sincerely,

Alfred Adams

Miss Ida M. Tarbell.
