My Dear Miss Lortell

I am sending you a copy
of William Lyon Phelps Browning in
the hope that you will look through
it and decided to do a similar
volume for us on Lincoln as a
writer. Don't you think there is
an opportunity here? Phelps book
has been widely adopted by schools
and I believe a Lincoln volume
might enjoy the same happy fate.

With the kindest regards and
all good wishes for the New Year I am

Truly yours

Henry Howard Howland
