

June 15, 1927 to Edgar

Mr. Allen Francis Edgar
911 Forest Avenue
West Brighton, S. I.

My dear Mr. Edgar:

Your letter of June 8 crossed mine, returning the package of photographs which you have been so good as to loan me. I hope they reached you safely.

You say that in 1851 a Mr. Darling of Boston painted Mr. and Mrs. Lincoln's portrait. I know nothing of these portraits. If you are able to get any information I should be glad if you passed it along to me.

I told you that I would send you extra copies of the photograph of Mary Todd Lincoln. There was a misunderstanding about the order and only two came back. I am forwarding one to you and as soon as I can get extra copies will send them on.

Sincerely yours
