

Daniel M. Grissom on Fremont.

Daniel M. Grissom, of St. Louis, Mo., was editor of the St. Louis "Evening News" in 1861. He never met Fremont, but corroborates the stories about Fremont's exclusiveness, his ostentatious display and his peculiar military methods. Regarding Mrs. Fremont, Mr. Grissom says:

"Mrs. Fremont was a very intellectual woman. It was popularly supposed at the time that she did much of Fremont's writing for him."
