Dear Miss Tarbell,

This came from the city.

Endicott, they are my mind their.

You have taken the city along with
you when you leave the city and along with
you as well as Titus ville. It was

you as well as Titus ville. It was

quite a pleasure in their care having it

in the New York papers. The town

seems pleased with what you have
done to take them along with you.

Your, Helen Burn.

June 11th.
