

July 10, 1929

Dr. William E. Barton
Pine Knoll
Foxboro, Mass.

Dear Dr. Barton:

It's very nice of you to drop me your note of July 3, enticing me again to Foxboro.

It certainly would rejoice my heart to look at your Lincoln treasures. I don't see my way near you just now but if I do get around Boston, you will find me calling "Foxboro 198, Ring 2".

A happy summer to you!

Sincerely yours
