My dear Mr. Angle:

Mr. Townsend of Lexington, Kentucky tells me that you have found in some old documents removed from the Sangamon County Court House to the files of the Illinois State Historical Library, the original bond of Berry and Lincoln which back in the '90's McCann Davis copied by hand for my *Early Life of Lincoln*. Mr. Townsend also tells me that you had a photostat of it made for him.

Now may I ask you to be good enough to order a photostat copy for my files, sending me the bill of course. I shall appreciate this courtesy.

With kindest regards

Very sincerely yours
