Dear Mr. Bridgman:

I have just received here in Arizona your letter of March 18, telling me that the Lincoln Fellowship of Wisconsin has conferred upon me an honorary membership in your new group of Lincoln students.

I am proud of the distinction -- gratified that you think me worthy of it. Please thank the Fellowship for me.

I take it that you will be occupying yourselves particularly with Lincolniana in Wisconsin. I shall be very glad to receive your reports.

Thanking you again for the honor you have done me, believe me

Very sincerely yours,

Ida M. Tarbell
