MARCH
19th
1927

Miss Ida M. Tarbell,
120 East 19th Street,
New York City.

Dear Miss Tarbell,

Enclosed herewith please find check in the sum of \$50.00, which check is in payment of royalty for the use of "HE KNEW LINCOLN" for the week ending March 12th, 1927. I have endorsed this check payable to your order.

I am sorry to report that beginning with Monday, and for the remainder of the run of the play in New York, a new edition of "Gay Paree" is to be presented at the Winter Garden. Because of the entry of new stars into the play, and because of their special requirements in regard to sketches and new vehicles, it will be necessary to eliminate a number of the old scenes. Included in those to be removed is "He Knew Lincoln". Mr. Sale is advised, however, that in the event that he remains with the show during its road tour, the "Lincoln" sketch will be restored, in which case the royalty will again be paid.

A payment will become due for the current week and same will be sent to you in due course.

Yours sincerely,
