New York City.

Dear Miss Tarbell:

I have yours of the 9th inst. The sponsor of the proposed broadcast involving Chic Sale and "He Knew Lincoln" expressed a preference for a different type of script.

I have indeed been considering "He Knew Lincoln" as a nucleus of either a play or a motion picture. The important thing in this connection, however, would be to secure an outstanding technician in the field decided upon. I am now giving this phase of the matter consideration. As soon as I have formulated plans, I will communicate with you further.

Yours sincerely,
