Dear Miss Tarbell:-

I have your letter of November 11th which undoubtedly crossed my letter to you dated November 10th.

In accordance with your desire I am having photostats made for you of Mrs. Lincoln's senseratorsip proceedings. As soon as these copies are ready I shall forward them to you.

Regarding Mrs. Lincoln's letter to Judge Bradwell, I have written Mrs. Prichard, asking her when she expects to have them published.

Upon receipt of your letter of November 11, I wrote Mr. Stern, quoting that portion of your letter referring to the Rosenwald biography. When I receive your reply to my letter of November 10th, I will also give him at least the substance of what you say about the matters concerning which I there inquired.

Sincerely yours,
