Miss Ida M. Tarbell

New York City

My dear Miss Tarbell:

My lads and I are glad indeed to be asked by you to help fix the exact location of Lincoln's Gap and Mordecai's Gap--and should we be successful in locating these points, we shall secure all the data we can for you.

We trust that we shall be able to report "our finds" before the end of May.

With sincere appreciation of your manifold goodness to us all, believe me

Very sincerely yours,

S. D. Green
