re: "He Knew Lincoln"

Dear Miss Tarbell:

This is to inform you that we have made an arrangement, which is not yet concluded in writing, to permit the use of "He Knew Lincoln" on the broadcast of the Rinso-Lifebuoy program (Al Jolson) next Tuesday night, February 9th, from 8:30 to 9:00 P.M., on Station WABC.

The royalty is to be the same as previously, to wit, \$50.00.

Will you be good enough to authorize Mr. William V. Goldie to sign the contract for you on those terms?

Very truly yours,

GOLDIE & GUMM
