

Lucas's Birthday Week

Dear Mrs Tarbell.

Will you kindly  
tell me wherein  
you think Barton  
has proved  
any thing?

I have been  
over the N. Y. Times  
article eagerly

and earnestly and  
cannot see that he  
has any proof -  
of those terrible  
Lucy stories -

Please write  
me at once -

Sincerely yours  
Carlisle Hawks Hitchcock
