Dear Madam:

As a fellow member of the Abraham Lincoln Association, I am taking the liberty of forwarding to you, under a separate cover, a copy of "Lincoln Memorials in Many States" by Earle R. Clemens, with my compliments.

This little pamphlet is a reprint of a series of articles written by Mr. Clemens for his paper the Terra Bella News, a weekly newspaper printed at Terra Bella, California, which is near here. I became interested in the articles as they appeared in the paper and arranged with Mr. Clemens for the printing of the pamphlet. The articles do not purport to be the result of any serious research, but I think that you will find some interesting material collected in the pamphlet.

Hoping that you may find something of interest and value in the pamphlet, I am

Sincerely yours,
