BOX 25
PEORIA, ILL.

Feb. 24, 1934.

Miss Ida M. Tarbell,
New York.

Dear Miss Tarbell:-

In your Liberty article, you speak of "Phoenixiana" as a book Lincoln read. Would you be good enough to tell me why you believe Lincoln read this book? I didn't know about it.

With every good wish and much respect, I remain,

Yours very sincerely,

M. L. Houser
