

April 27, 1934

My dear Mr. Iglehart:

It is good of you to send me these clippings about your father. I was not surprised that he had gone. Indeed I have been surprised that his vitality carried him so far. He seemed very feeble to me the last time I talked with him, that is, feeble in body - never in mind.

It is a fine memory that you have to carry with you.

Very sincerely yours

Mr. Joseph H. Iglehart
