My Dear Miss Tarbell:

My English course requires
the dramatization of some short
story. I would like very much,
with your permission, to use
"Lincoln's First Love" in
"Collins" for February 8, 1930.

If I may use this story, and it
is chosen the best by my
classmates, may I present
it before the school in
assembly? I will thank
you very much.

Sincerely Yours,
Bessie Griffey
