Miss Ida M. Tarbell
120 East 19th St.
New York, N. Y.

Dear Miss Tarbell:

I presume you are back from Vermont and I am terribly sorry that another Summer has gone by without you getting over to our farm. I still look forward to having a visit there with you and it would be a pleasure to us to see you any time. The Mills family I hope will spend the next weekend with us in Bethel.

As you are now entering a new Winter season I would again like to ask you to consider your speaking on Lincoln in February at The Church of the Pilgrims in Brooklyn. I know you will be making up your calendar and Dr. Walker at The Church of the Pilgrims has written me an urgent letter asking me if I could not persuade you to reserve for them Sunday evening, February 11th. It is a propitious date, as you know.

I am not going to urge it at all although I would be gratified if it would be possible. After you look over your schedule I would be interested to know whether you could give it serious consideration.

With very best wishes, I am

Yours sincerely,

Alfred C. Howell
