Miss Ida M. Tarbell
Gramercy Park Apt.
New York, N. Y.

Dear Miss Tarbell:

Some days back I read, in
the Evening Bulletin, that you were
writing something of Wilkes Booth.

I have heard my cousin,
Robert Garrett tell the
story of John Wilkes Booth's
capture in his father's
barn in Caroline County, Va.

If this incident will be of
interest to you I shall
write it up for you as
I remember it. I can also
put you in communication
with Robert Garrett's daughter
who can probably give you
some enlightening details.

I await your reply.

Yours very truly
(Mrs.) Annie C. Garrett
