My dear Miss Tarbell:

We were pleased to receive your letter of Aug. 26 and to see that you thought Mr. Crunelle's Lincoln was good. It will please Mr. Crunelle. I believe it is the best Lincoln face I have seen and no picture can do it full justice. I believe he would approve of the picture I am sending you as it was by his wish that the children were grouped about it with him. Mr. Crunelle is now at the artist colony at Oregon, Ill., (at the Black Hawk statue) or you can reach him at his studio, 6016 Ellis Avenue, Chicago. He has a very nice little family. If we can be of any further service be free to advise us.

Truly yours

A.O. Barton
