My dear Miss Tubell,

I trust your health is greatly improved by now and that you are on the road to complete recovery.

Do you recall asking me about Mordecai's Lops? I think I have found it. It is in the basin of Doctair's Creek and Duck Hole Creek at Duane's town, Warren County, N.Y. You mention it in "In the Footsteps of the Lincoln".

With kind remembrance,  
Sincerely,  
Glen Skirby.
