

718 W. 11th, May 13, 1931.
Dear Miss Tarbell;

I thank you very
much for the letter concerning your
Inison Collection, which you kindly
sent me. I found your letter
very interesting, and I appreciate it very
much. I, too, have many things to do,
and no little time to do them. And the
years are slipping away.
With very best wishes.

Sincerely,

Albert H. Griffith.
