Dear Miss Tarbell:

It is pleasant to have our unknown correspondent materialize into you.

I don't quite make out just what it is that you want in respect to the Lincoln signatures on page 140 of Lea & Hutchinson's *Ancestry of Lincoln*. If you mean that you wish to reproduce them you are quite welcome to do so, or if it is that you want us to provide you with duplicate electrotypes, if you can tell us whether you wish them of the same size or a reduced size, we will be glad to give you an estimate.

Faithfully yours,

Miss Ida Tarbell
