Prof. John Richie Schultz
Meadville, Penn.

Dear Professor Schultz:

Have you found among Bayard Taylor's letters and papers a copy of a letter from Abraham Lincoln to the Czar of Russia, which was to have been delivered at a meeting with the Czar arranged by Prince Gortchacow. I have a photostat of a letter by Taylor in which he asks for the appointment to present the letter from Lincoln.

I would greatly appreciate your help in my locating this letter.

Cordially yours,

EH/BRH
