Miss Sarah A. Tarbell,  
R. F. D. No. 3,  
Bethel, Conn.

My dear Miss Tarbell:

I have just been informed by Mr. Sale that the information of Mr. Shubert's attorney, which I transmitted to you in my letter of the 29th ult., was erroneous; and that, as a matter of fact, the "Lincoln" sketch has been in the play from its opening. I have already advised the attorney that he was in error and have made demand that the royalty provided for in the agreement between your sister and the Shubert Theatrical Corporation be paid at once.

Immediately upon receipt of the royalty due, I will send the same to you.

Yours very truly,

HHG:ES
