Dear Miss Worthington:

Yes, I will speak for the
Heinz Magazine of the Air on February 12th on
Lincoln, that is, if as I suppose you want as
before three hundred words - two minutes -
at the same hours and on the same terms.

When should I submit my
script? I am a little driven at the moment
but can give it to you in ten days.

And I am coming in soon
to talk over the proposed contract.

Very sincerely yours

Miss Dorothy Worthington
