Mr. A. L. Marsh
3303 East 55th Street
Cleveland, Ohio

Dear Mr. Marsh:

Miss Tarbell was called away from New York shortly after your letter of February 19th reached her and it was impossible for her to find time to write the message for the souvenir program you are preparing. She writes me she will be away for several weeks and wishes me to say that if you are in a hurry for a message from her she suggests you use the telegram she sent you on Lincoln's Birthday.

Yours very truly

Secretary to
Miss Tarbell
