Mrs. Myra Hank Rudolph
564 Woodbine Ave.
Warren, Ohio

Dear Mrs. Rudolph:

Thank you for your letter of March 5. I wanted to know what you and Mrs. White thought about Dr. Barton's "Abraham Lincoln a Lee."

It seemed like romance to me. He is given to it, both as a genealogist and a biographer; and it is a pity, too.

I am glad that you are in touch with Mr. Warren. He has been most thorough in his search for documents. We all owe him a great deal.

By the way, I would like to send a copy of my Boy Scout's Life of Lincoln to your son. Would you like him to have it?

Sincerely yours
