Dear Miss Tarbell:

I find that I have been barking up the wrong tree. The Ward ambrotype and the Prescott photograph are not the same picture at all. I was misled by the suggestion of a correspondent which I could not verify because I could not lay my hands on your "Early Life of Lincoln". I am sorry to say that no copy seems to appear in Concord, New Hampshire. A strange oversight.

Since then I have seen a reproduction of the Ward ambrotype and find it is not the same picture, so I have been troubling you about this matter for no purpose, which I greatly regret.

I wish to thank you heartily for your kindness.

Yours truly,

ELP:EL
