

Ida M. Tarbell

New York
N. Y.

Dear Miss Tarbell:

I would like to get information as to whether or not a letter written by Abraham Lincoln, to a soldier during the Civil war, has any value. This letter is a personal tribute from Lincoln to a secret service operator, and acknowledges with appreciation his services to the north.

Hoping you can let me know if this manuscript has any commercial value I am (confidentially)

yours truly

Harry Roberts

Gen

Dakota.
