Dear Miss Tabell,  
Mr. Sedgwick  
allows me to ask you  
if I could see you for  
some information about  
Lincoln.

Being only two days  
long here, I should be very  
thankful to come to you  
perhaps to-morrow Saturday  
at 5, if it should be

should be convenient  
to you; or Sunday.

Would you be kind  
enough to please to me  
Regent 5000 to-morrow  
morning?

Very sincerely yours  
Lemuel Ludvig
