MILLBURY, MASS.,

Miss Ida M. Tarbell, 120 E. 19th St. N.Y.,
Dear Miss Tarbell,

Your kind letter of last week suggested about this that I remind you of the photostat copies of the Lincoln houses at Scituate & Amity when you read your files of photographs. If to these you added the house in the Shenandoah Valley it would dignify all the generations between Samuel the Emigrant & the President's father? Of course I should be glad to pay for the photostats.

With many thanks,
Yours truly,

F. Henry A. Phillips.

P.S. This has been a very bad winter for Mr. & Mrs. Waldo Lincoln of Worcester who have lost their eldest son & their only daughter's husband.
