Dear Mrs. Moreck:

The autobiography copy of the life of William Lyon Phelps together with your letter has just reached Miss Tarbell's desk. Just at present she is in the country taking a much needed rest. I know she will be delighted to have the book and I shall call her immediate attention to it upon her return.

Miss Tarbell has received a letter from Miss Bennett at Titusville in regard to autographing fifteen copies of her Boy Scout's Life of Lincoln for you. I have written Miss Bennett that Miss Tarbell will be glad to autograph the book when she returns which will be in about a week.

Yours very truly

Secretary to Miss Tarbell
