Dear Miss Tarbell : -

You may be interested in this copy of a letter forwarded to me by Dr. Meyer. The article to which he refers was based, in large part, upon your book IN THE FOOTSTEPS OF THE LINCOLNS from which I quoted- giving the credit, of course, to you.

Doubtless the claim he makes has been investigated by you - it may have bobbed up many times during your researches - but you may be interested in its persistence.

I answered Dr. Sheifley's letter by quoting both you and Dr. Barton. May I add in this my gratitude to you for the earnest work which has preserved for the American people data concerning Lincoln which otherwise would have been lost?

*With sincere regards,
Mabel Ausley Murphy*
