Dear Mrs. Payne:

Such a nice letter from you. I was sorry that you could not have met the foreign notables - very interesting - very amusing - and one or two of them really notable. It all had to be done on the spur of the moment as we did not know when they would be here. Such a rush, but rather fun and worthwhile, I think. But the haste of the thing prevented us from getting hold of as many of the Pen & Brush as we would have liked.

I am so pleased that Mrs. Hauck will come into the Club. I liked her very much and this letter of hers which I am returning makes me like her still better.

I certainly hope that she will come in in the Fall. Miss Chaffey will have everything ready for us to put through at the September meeting.

I am off for a month to Northern Vermont - my work under my arm. But I am going to a cool and quite place - no telephone.

Try not to work too hard and after the book is off get a thorough rest.

Affectionately

Mrs. Elizabeth S. Payne
