Miss Ida M. Tarbell,
Venango Inn,
Venango, Pa.

Dear Ida Tarbell;-

Uncle Sam has just brought me an auto-graphed copy of "All In A Day's Work" and I hasten to catch you before you leave the old hunting ground. Will treasure the autograph and enjoy every word written by one of God's own noble women and in recognition, a gift will go to Allegheny's Lincoln Room.

With loving wishes that you may be spared to enjoy the fruits of your labor,

Devotedly, your old friend,

Anne Chambers Morck
