Dear Helen Ormsbee:

Won't you clinch with the proper Secretary or Publicity man Mr. Massey's promise to come to the Pen & Brush on the first Sunday of January. You know the proper person and I do not, and I do not like to bother Mr. Massey.

Do you think we ought to ask Sherwood to come along? We want to make the most of this.

I did have such a good time and am so grateful to you

Affectionately

Miss Helen Ormsbee
