My dear Miss Tarbell:-

I have received the syndicate material referred to in your letter, and have gone over the illustrations very carefully with my negatives in hand.

You will find enclosed a duplicate list of the writers photographs now in your possession and those which appear in the articles have been checked. I find that you credit me with one which which is a Filson Club picture.

If my figures are correct you have used in the first eleven chapters of the work 14 pictures. The price is satisfactory and the publicity which you have given my work is very generous.

I have not had time to make a critical reading of the article but shall do so at my earliest convenience and will be pleased to make any corrections which I feel are essential. If you will kindly send me succeeding numbers I will be glad to review the work up to the period of the departure from New Salem, beyond which I have not gone.

Most sincerely yours
