My dear Miss Tarbell:

On February 12, 1937 we are celebrating our Fortieth Anniversary and it will be a pleasure indeed to have you visit us and participate in what we feel will be an outstanding Lincoln Celebration.

We are appealing to all of those who are interested in Lincoln and education to send us one dollar for every year of our school's existence. We would be very grateful indeed for any contribution you could make at this time.

Young men and young women who spring from the stock which produced Abraham Lincoln hold out their hands to you, not for charity, but for a chance.

Sincerely yours,

SWM: bc
